

Hautes Vignes

Appellation

Located on the heights of Crus Beaujolais, on a light and lean granitic sand soil, Chiroubles is an elegant wine, fine, charming and slightly tannic with violet aromas.

It is a convivial wine par excellence. Cultivation area : 366 ha.

Origin

Mature grapes, manually-harvested of vines of about forty years, exclusively on Gamay grapes variety.

Vintages & Tasting

Chiroubles Wines comes from vineyards on hillsides facing south. Its red fruits come out of intense and complex fragrances, with a rich and very structured taste. This wine reveals a promise of delicacy and flexibility.

Food & Wine Pairings

Roasted poultry, Blanquette of veal or cheese platter.

Aging & Serving

From 12 to 14°C, keeping between 4 to 5 years in cellar.
