

Terre de Cray

Appellation

Southern Burgundy offers the vines a swarm of valleys and valleys tinted with watercolor colors. Between the Côte Chalonnaise and the rock of Solutré, the Mâconnais mountains extend over some 40 kilometers, bordered by the Saône and the Grosne. The "cray", a type of chalky soil with white pebbles, is found here: the best for Chardonnay.

Cultivation area : ha.

Origin

Grapes picked at full maturity

Harvested by hand exclusively Abundantly calcareous terroir

Manual pruning Grape variety 100% Chardonnay

Vintages & Tasting

Fresh and easy-drinking wine, dry but very fruity.

Shiny straw yellow color with soft reflections Nose suggesting aromas of white rose, acacia and honeysuckle. Palate with good concentration with a subtle acidic support, roundness and smoothness characterize our cuvée.
